

Appendix no.1

To the Baltic Time Attack Series supplementary regulations for round 1

Car carrier, pit box rental, fuel, hotels

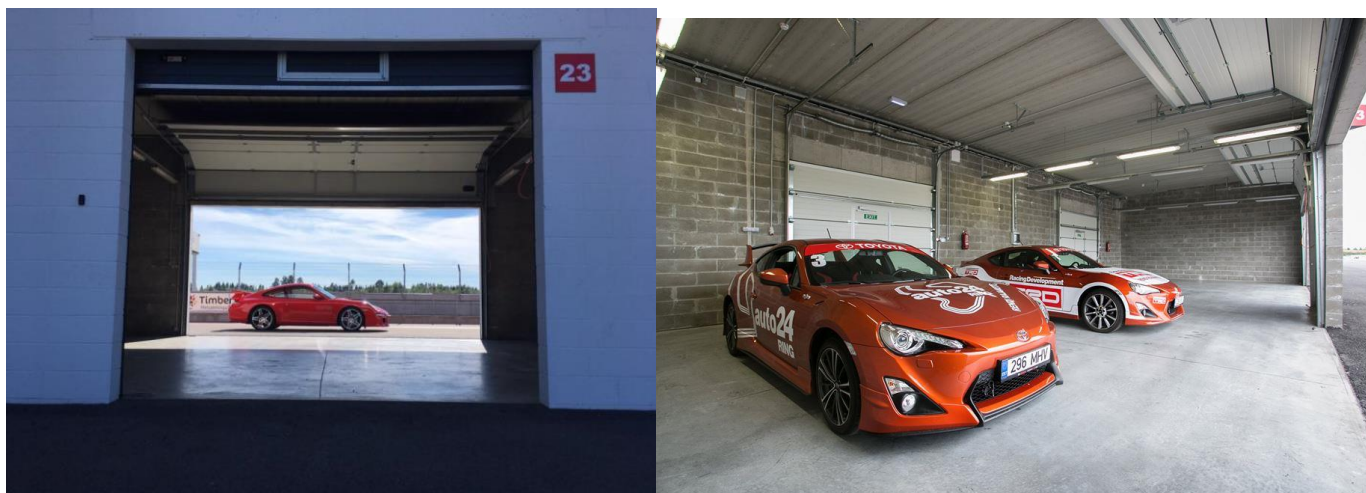

Car carrier – the event organizer, in collaboration with transport company KURBADS, offer transporting the competitor cars to and from the track (Rīga – Parnu – Rīga).

- Number of sports on the car carrier: 8 cars
- You can apply for a spot by sending an e-mail, with the subject line: car carrier, to the organizer's e-mail: eduards.kalve@gmail.com, applications are accepted from April 7 to 21
- Price: 135 EUR (including VAT) per car. 100% prepayment is required, doing so by bank transfer to the organizer's, Biedrība "Auto motoru sports" (reg. no.: 40008101471), bank account: AS Swedbank, LV64HABA0551024778485, with a note: car carrier, and listing the competitor's first and last name

Pit box rental – competitors have the opportunity to rent a pit box for the day of the event. A single pit box is large enough for 2 cars and has electricity.

- The number of pit boxes is limited – there are 16 in total, with 2 cars in each pit box
- You can apply for a pit box by sending an e-mail, with the subject line: pit box, to the organizer's e-mail: eduards.kalve@gmail.com, applications are accepted from April 7 to 28
- Price: 170 EUR (including VAT) per car. 100% prepayment is required, doing so by bank transfer to the organizer's, Biedrība "Auto motoru sports" (reg. no.: 40008101471), bank account: AS Swedbank, LV64HABA0551024778485, with a note: pit box, and listing the competitor's first and last name

Fuel – there is an automatic fuel station in the Auto24ring track territory.

- It has only E98 fuel
- The price is similar to fuel stations near the track

Hotels – we suggest looking in the following websites:

- Booking.com, <https://bit.ly/2uzCyzm>
- <https://visitparnu.com/en/accommodation/>
- AirBnB, www.airbnb.com
