## ROUND 2 SUPPLEMENTARY REGULATIONS

*The supplementary regulations are written in both Latvian and English. In case of any discrepancies in writing or interpretation, the Latvian version of the text will be used.*

Baltic Time Attack Series takes place in accordance with the regulations, LAF National Sporting Code, LAF Standard Automobile Commission documentation and the regulations with the Baltic Time Attack Series documentation. These regulations are an addition to the Baltic Time Attack Series regulations.

Any changes or additions to these regulations will be announced through numbered and dated Appendixes, which are agreed upon by the organizer or stewards.

Event officials:

Organizer	Eduards Kalve
Clerk of the course	Gunārs Ķeipāns
Chief steward	Gunārs Ķeipāns
Chief of officials	Māris Baumanis
Event secretary	Matīss Lūkins
Chief scrutineer	Dainis Akmentiņš

3. **Online registration** begins on 03.06.2019, at [www.timeattack.lv](http://www.timeattack.lv). All official information about the event is available on [www.timeattack.lv](http://www.timeattack.lv) and [www.laf.lv](http://www.laf.lv).

4. **The competition is open to** any car that meets the technical regulations of Baltic Time Attack Series, with the cars being split into the following classes:

- 4.1. **2000** (street legal cars with engine capacity up to 1999 cm<sup>3</sup>);
- 4.2. **3000** (street legal cars with engine capacity up to 2999 cm<sup>3</sup>);
- 4.3. **3000+** (street legal cars with no engine capacity limitations);
- 4.4. **PRO2000** (race cars with engine capacity up to 1999 cm<sup>3</sup>);
- 4.5. **PRO3000** (race cars with engine capacity up to 2999 cm<sup>3</sup>);
- 4.6. **UNLIMITED** (race cars with no engine capacity limitations);
- 4.7. **SUPERCAR** (class for exclusive vehicles, in accordance with the Supercar class vehicle list);
- 4.8. Organizer has the right to create additional classes for a particular event.

5. **Entry fee in 1 class: 150,00 EUR**

5.1. The entry fee includes the cost of a one-time licence (15 EUR). Competitors with a 2019 LAF SAK licence have an entry fee of 135 EUR.

5.2. When registering for the event, a competitor has to pay one half of the entry fee (75 EUR), doing so by bank transfer to the organizer's, Biedrība "Auto motoru sports" (reg. no.: 40008101471), bank account: AS Swedbank, LV64HABA0551024778485, with a note: entry fee, and listing the competitor's first and last name. The remaining half of the entry fee needs to be paid when arriving at the track for the event. If a competitor does not come to the event, the entry fee will not be returned.

5.3. A competitor is registered for the event when the entry fee is received.

5.5. If a competitor does not want to place the organizer's sponsor advertising on their car, they have to pay an additional fee of **150,00 EUR**.

6. **Competitor document checks.** When registering at the track, the competitors will have to show:

6.1. Their driver's licence, except for cases that are mentioned in the Baltic Time Attack Series regulations.

6.2. Personal insurance that covers motorsports as one of the risks (minimum coverage amount – 1500 EUR).

6.3. After a successful registration, the competitor will receive:

6.3.1. start numbers, which need to be put on the rear side windows of the car.

6.3.2. advertising stickers that have to be put on the car, in the required spots. Directions on where to place the stickers are given out along with the stickers themselves.

## 7. Event description and start order

- 7.1. As part of the event, each competitor does a 10 minute qualifying session and two 20 minute sessions, with a rolling start and finish. Time control is done electronically. In case of technical difficulties – with a stopwatch, by rounding the results to the nearest tenth of a second.
- 7.2. There are 7-15 cars on track simultaneously in each heat.
- 7.3. It is allowed to overtake other cars on track. The slower car has the obligation to let a faster car pass.
- 7.4. If a driver is late to their start, they lose the right to take part in the particular session.
- 7.5. Disobeying the orders of officials will result in exclusion from the event.
- 7.6. At all times of the event (from the registration on the morning of the event, all the way to the awards ceremony), all cars must fully meet the requirements set out in the regulations.

## 8. Results

- 8.1. The event result is based on the fastest lap time set in any of the sessions except qualifying.
- 8.2. The results will be published after all cars have reached the finish.
- 8.3. Official results will be published on [www.timeattack.lv](http://www.timeattack.lv) on the day after the event.
- 8.4. All competitors will also have their results count towards the Baltic Time Attack Series season standings.

## 9. Safety requirements

- 9.1. All cars on track must have their low-beam lights turned on.
- 9.2. If a car is unable to complete a full distance in a heat, and has to stop at the side of the track (in order to not disturb other drivers), the driver must immediately get out of the vehicle and get over the track fencing. It is forbidden to do any repairs while on the track.
- 9.3. Only a fire extinguisher, affixed in accordance with the technical regulations, can be inside the car.
- 9.4. It is forbidden to have any objects that are not fixed in the car during a heat.
- 9.5. The driver must be strapped in with the safety belt (belts) and be wearing a fastened helmet that was designed for car racing (with an “E” marking on it), as well as a shirt with long sleeves, long sleeved pants, closed type shoes and gloves.

## 10. Awards ceremony

Competitor awards ceremony takes place around 15 minutes after the publishing of official results.

## 12. Arrival at the event venue

**Competitors should arrive to the event at Bīķernieki circuit between 7:00 and 9:30**

- 12.1. They must register for the event, go through technical scrutineering and put the car in the service area.
- 12.2. Competitors need to stay at the track venue from the moment they register for the event until the moment the event concludes. Disobeying this rule can result in the organizer no registering the offenders for the following events or excluding them from competing in the future.

## 13. Number of participants in an event

Maximum number of competitors in the event – 135.
